Hobbies for Your Health

1 **P**eople do hobbies to have fun. They make people's lives interesting and keep people happy. However, hobbies may improve people's health too.

With hobbies, people are healthier, says Dr. Peter Lichtenberg.

5 For hobbies like chess or puzzles, you need to think. These hobbies are good for your brain. Hobbies like exercise and sports can keep the body healthy. It's better to have both types of hobbies. You can keep your brain active with games, and your body active with swimming or basketball.

10 Hobbies are also a fun way to meet people, and people with more friends are healthier. There are many hobby clubs. People often become friends because they have similar interests. Are you afraid of getting sick? Start a hobby—it's good for you!

Read the article and answer the following questions.

1. Why do people have hobbies?
2. What kinds of hobbies are good for your health? How?
3. Do you share your hobbies with your friends?

Popular Hobbies in the US		Your Country (1-5)?
Reading	29%	_____
Watching TV	18%	_____
Spending time with family	14%	_____
Watching movies	7%	_____
Fishing	7%	_____
