NURSING ENGLISH

WORKPLACE ENGLISH International Edition

This book is geared towards business-related subjects. Learners are introduced to several useful topics and have the opportunity to practice each of the four important language skills: listening, speaking, reading, and writing. The units end with a review segment that reproduces the TOEIC exam style. Here, learners can keep track of their progress throughout the book.

INFORMATION TECHNOLOGY ENGLISH

This book is designed for English communication in the professional IT workplace. It is divided into three parts: "Before Work," "General Work knowledge," and "IT Professional Work." It's suitable for both students with an IT major at college and people just beginning their career as IT professionals.
